

# Cherry Blossom River Tours

...in Washington D.C.

*Have you ever cruised along the cherry blossoms?*

This year's National Cherry Blossom Festival is March 27th - April 11th, 2010. Don't miss our narrated 90-minute river tour - it's an unforgettable way to see the blossoms as our boats go full circle around the parks, the Tidal Basin, and the famous monuments. The views are spectacular!

DC Cruises operates four upscale sightseeing boats that feature air conditioning, heating, refreshments & handicap access.
